Professional profile

I am a very humorous and generous person, who always tries to make an atmosphere very healthy and relaxed with my presence. *I am very hard working and passionate about any job that I do, I can see myself really enjoying insecurity industry.*

I am currently working as control post security agent and helping ICTS as mentor.

Before switching my job from childcare to security I was very hard working, punctual, and reliable person. I am very much proficient in Microsoft Office. As I am having a good grip on children's and adult psychology and bonding with them very instantly, I hope this domain will help me in my security trainer job to motivate my agent to work enthusiastically.

My job responsibilities are luggage screening, access post controlling, bag and body search, vehicles searching etc.
